Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

CONSENT FOR TREATMENT

1. I hereby authorize doctor or designated staff to take x-rays, study models, photographs and other diagnostic aids deemed appropriate by doctor to make a thorough diagnosis of (name of patient) _____'s dental needs.

2. Upon such diagnosis, I authorize doctor to perform all recommended treatment mutually agreed upon by me and to employ such assistance as required to provide proper care.

3. I agree to the use of anesthetics, sedatives and other medication as necessary. I fully understand that using anesthetic agents embodies certain risks. I understand that I can ask for a complete recital of any possible complications.

4. I give consent to the doctor's or designated staff's use and disclosure of any oral, written or electronic health records that are individually identifiable as mine for the purpose of carrying out my treatment, payment and health care operations. I understand that only the minimum amount of information necessary to provide quality care will be used or disclosed and that a notice fully outlining the protections of my personal health information is available.

5. I agree to be responsible for payment of all services rendered on my behalf or my dependants. I understand that payment is due at the time of service unless other financial arrangements or agreements have been made. In the event payments are not received by agreed upon dates, I understand that a 1 ½% late charge (18% APR) may be added to my account. If required, I also understand a check of my credit history may be made.
